EVALUATION AND GRADING SYSTEM

Universities in Italy use a 30-point scale simply divided in two: non passing (0 to 17), and passing grades (18 to 30 cum laude).

Tashkent State University of Law uses a 100-point scale. 100 points are distributed according to the types of control as follows: for intermediate control — up to 40 percent (40 points) of the maximum score that can be scored modulo; for the final control – the remaining part of the maximum score that can be scored modulo, minus the points allocated for intermediate control, and in the absence of intermediate control — up to 100 percent (100 points). The system is then divided in a simple scale: excellent grade ("A", "A—") from 86 to 100 percent; good grade ("B+", "B", "B-") from 71 to 85 percent; satisfactory grade ("C+", "C", "C-") from 55 to 70 percent; unsatisfactory grade ("D") from 50 to 55 percent; lowest grade ("F") from 0 to 49 percent.

DURATION, TERMINATION, RENEWAL

This executive protocol will be in effect for 5 years, starting from academic year 2022/2023

After the evaluation of the outcomes of this agreement it can be renewed for following academic years. Variations and changes can be made in writing by mutual agreement of the parties. The termination of the agreement must be communicated in written by one of the parties and shall have no effect on ongoing activities until their conclusion.

Either of the parties may terminate this protocol before the expiry date by giving written notice to the other party. The termination will not have effects on ongoing activities.

This agreement is drawn up in four copies, two in Italian and two in English, each of these texts being equally authentic. Enclosures A is an integral part of this agreement, and it will be filled in by the students who intend to participate in the exchange. Both parties will receive a copy in each language. All misinterpretations will be settled by mutual assent.
