

Cardozo Law School offers Roma Tre Students and Graduates special advantages for their LLM

1. Special tuition rates are available for Roma Tre graduates who wish to attend the Cardozo LLM, and priority is given to them for dormitory housing at the Cardozo dorm, The Benjamin (29th Street and Lexington Avenue).

2. In addition, any Roma Tre student who has completed one exchange semester at Cardozo, will be allowed to return as LLM students, to complete their LLM degree (usually within 24 months of their starting date of first semester at Cardozo). If students return for only one semester, they may not be able to use the LLM degree to qualify for the NY Bar. So if the goal is to take and pass the bar, we strongly encourage them to apply to the LLM program and return for 2 semesters, not just one. Special tuition rates are available also for these returning students, and they will have priority placement in the dormitory reservations and discounts there as well.

3. Alumni of Roma Tre will also qualify for special tuition rates, and enjoy the following advantages
 1. No application fee is needed (\$50 waived)
 2. Only one Letter of Recommendation is required for this program
 3. TOEFL or IELTS is required (unless they qualify for a waive. Guidelines are here: <https://cardozo.yu.edu/admissions/llm-admissions/apply/llm-application-guidelines>)
 4. Electronic (scanned) application and materials may be sent via email, mailing the originals later.
